roll with us

Friends of Brevard and Central Florida -

**The Hub** is a dream to help create special moments in time so that our community and future leaders can begin living into their God-given potential. If our youth and next generation is going to discover life-purpose, it's going to take active and intentional leadership. That's where The Hub comes in, and we just happen to do all of this through *wheels*. **The time is now.** We are building a community center of wheels where we envision an indoor pump track, skate park, ramps, foam pits, and more, but more important than the fun on wheels, we believe it to be a "hub" for community and leaders that are equipped to change the world!

That is exactly why we would like to invite you to be a part of something incredible starting right here in Brevard County, Florida. **Please mark your calendar and plan to join us Thursday, June 6, 2024.** This is the beginning of something special...a "moment" in the history of our county that will have an impact for generations to come.

Please let us know if you would like to be a sponsor this evening as we embark on this journey together.

Grace and peace,

Matthew Svajda
